SEMI-WEEKLY—TUESDAYS AND FRIDAYS

VOL. XLIX. UPLAND, CALIFORNIA, TUESDAY, AUGUST 17, 1943. NO. 30.

288 ESCROWS ARE HANDLED BY BANKS SINCE JANUARY 1

Real estate transactions in Upland have averaged approximately one every day since January 1, according to reports today from the escrow departments of the two local banks.

Total number of escrows during 1943 is 288.

While every escrow does not mean an actual change in ownership of property, it was estimated that considerably more than 200 transactions had been handled during the year. It is also noted that some transactions are completed without going into escrow.

This is a considerable increase over previous years and indicates a very strong demand for residence and citrus groves.

John C. Habecker Returns to Quito; Given Promotion

A cablegram received Monday by Mr. and Mrs. Paul Adams from their son-in-law, Lt. Col. John C. Habecker, gave the assurance that he had arrived safely in Quito, Ecuador, where he is serving as military aide to the United States ambassador to Ecuador.

Lt. Col. Habecker, who recently was promoted from the rank of major, had been in Washington, D. C., on a military mission and before returning to South America he visited briefly with Mr. and Mrs. Adams. He had been away from Quito for almost two months and he was eager to rejoin Mrs. Habecker (the former Ann Adams) and their infant son, John Christian Habecker, Jr., who remained in their home in Quito.

Lt. Col. Habecker served as lieutenant commandant of cadets at Cal-Aero under Colonel Scott and his frends have watched with much interest his rapid rise through the succeeding ranks of captain and major to his present rank of lieutenant colooel.

Red Cross Chapter Board In Session Receives Reports

With Mrs. Paul Adams, chairman, presiding, regular monthly meeting of the executive board of the Upland Red Cross chapter was held this morning in the headquarters on North Second avenue.

Usual business was given attention and reports of progress in the work were made by several department chairmen.

Mrs. Harry W. Flowers spoke of the need for women to help make the 500 kit bags and for gifts of money to purchase the contents of the bags.

Mrs. E. F. Pelton, speaking for Mrs. Theodore Stamm, chairman, who is on vacation, emphasized the continuous need for more workers in the surgical dressings department.

Mrs. John B. Craig, chairman of the camp and hospital service committee, reported a call for good books for the new library at the Ontario army air field.

Needs and accomplishments of the home service department were told by Mrs. Will R. Mason, chairman.

Attending the meeting were Mrs. Adams, Mrs. Flowers, Mrs. Pelton, Mrs. Craig, Mrs. Mason, Mrs. Neil Hickcox and O. H. Price, the latter two of Etiwanda; Mrs. Mary Eckerman, Mrs. V. H. Wilson, Mrs. C. K. Francisco, Mrs. Lottie Fuller, Mrs. George Brown, Mrs. Minnie D. Goodrch, Mrs. J. P. Bert, Mrs. Arthur H. Pehl, Mrs. J. F. Sawyer and Miss Eunice Mitchell.

SEEBEES RECRUITER

Lieut. W. B. Hayes will be in the navy recruiting station in the Pomona post office building on Saturday. He will be available to talk to men regarding enlistment in the navy's seabees—to see how their work experience will fit them for one of the navy's many skilled jobs.

The navy has many openings for experienced men in the headquarters and construction companies of the Seabees. These companies are comprised of carpenters, concrete workers, electricians, mechanics, longshoremen, welders, cooks, bakers, shovel operators, etc. Men over 38 up to 50 years of age may enlist directly in the naval reserve in the rating which they are found qualified to hold.

Mrs. Black To Speak On Public Housing At Lions' Meeting

Public housing in war time will be discussed by Mrs. Douglas Black at the meeting of the Upland Lions club in the Upland Woman's club house at noon Thursday. Mrs. Black is secretary of the Upland Housing Authority.

The authority is constructing the local housing project and Mrs. Black is in close touch with the program.

INCOME TAX DATA IS EXPECTED SOON

More than 600,000 residents of the ten southern counties of California will be required to file income tax returns by September 15th to report their estimated 1943 income taxes, according to figures released today by Harry C. Westover, Collector of Internal Revenue.

"Nearly 1,800,000 Southern Californians filed 1942 tax returns last March," Westover said, "and we expect at least one-third of them to file the new estimate as required under 'pay-as-you-go'.

"We are still awaiting our supply of forms and instruction sheets from Washington. The moment we receive them we will start mailing copies to every person who filed last March. We hope to have forms in the mail within the next 10 days. The new tax return will be known as Form 1040ES.

RULES OUTLINED

"The current income tax payroll deduction of 20 per cent will take care of the tax of approximately two-thirds of the people in this district," Westover added, "and the balance will have some additional tax to pay.

"Single persons whose paychecks are being subjected to the 20 per cent deduction will file if they will earn more than $2700 this year, or if they actually earned more than that amount last year. Married persons under the same conditions will file if either this year's or last year's earnings exceeded $3500. In addition, every person who had outside in-

RED CROSS CALLS FOR MORE WORKERS

"If only they could realize how many hundreds of thousands of these dressings are needed and how much even a few hours work would help, surely they would come."

Mrs. E. F. Pelton, assistant chairman of the surgical dressings department of the Upland Red Cross chapter, was referring to the ever-increasing need for more workers in the Red Cross surgical dressings department. Mrs. Pelton is in charge of the work during the absence of Mrs. Theodore Stamm, chairman, who is on vacation.

The dressings made by the Upland chapter are small squares of gauze to be used in cleansing wounds of men who are injured on America's world-around battlefront.

"Should a fighting man die because of infection due to a lack of proper dressings, where would the responsibility lie?" asked one of the committee members.

GROUPS WANTED

Many faithful workers come regularly to the work room and large quantities of dressings are being made. However, the Allied invasion of Europe is beginning and the intensified fighting is rapidly increasing the need for the surgical dressings supplied by the American Red Cross, and the Upland chapter continuously is being urged to send in more dressings as its share of the supply needed.

Those in charge today suggested that social clubs and church classes could aid tremendously in the work by meeting in the work room and spending the time in making dressings. Social contacts may be enjoyed in this way as the women may visit as they work.

Some groups already are meeting at the workrooms.

SEVEN UPLANDERS GO NORTH TO BE AT LEGION MEET

Upland post of the American Legion and the local unit of the American Legion Woman's Auxiliary have been well represented at their respective state conventions that closed today in San Francisco.

Legion post delegates are Thomas E. Howarton, John D. Howe and Earl E. Marsh. They left on Saturday for the convention city and were present for the preliminary sessions on Sunday and the convention proper Monday and today.

Going up Sunday on the Daylight for the Woman's Auxiliary convention were Mrs. Ethel R. Marsh, a past department president and by virtue of that office automatically a state delegate-at-large each year; and Mrs. Thomas E. Howarton, Mrs. W. J. Larkin and Mrs. Donald F. McKean, delegates from the local unit.

The convention, the twenty-fifth for the Department of California, was limited to a two-day gathering of serious-minded delegates from 600 posts and units and were in contrant to the previous week-long conventions that were marked by colorful parades and drills and gay social events. Those things were lacking at this convention, with the delegates devoting their time to various home front issues and post-war preparations. Matters of national defense and rehabilitation for veterans were given a prominent place on the program.

Discussion of New Income Tax Law Is Heard by Rotarians

Upland Rotarians heard a discussion of the new income tax law when they met in weekly session in Red Hill Country club at noon today.

The speaker was Stearns Ingalls, local accountant and income tax expert. Mr. Ingalls' discussion of the new "pay-as-you-go" income tax law, of necessity, dealt with the subject in general terms.

The law covers so many various angles of taxation that it is complicated to a point beyond thorough explanation in a short address. However, Mr. Ingalls, who has made a close study of the regulations, was able to give a general view of their requirements in the brief time that he spoke.

Will R. Mason, president of the club, conducted the meeting and the speaker was presented by Don E. Palmer, program chairman.

Visitors present were Page Hubble of Pomona, Frank Biane, A. Q. Miller and Dr. John H. Hooval of Ontario, and Nelson Van Fleet of San Antonio Heights, a member of the Ontario club.

Temperance Union To Make Plans for County Convention

Directors of the various departments are to give their annual reports at the monthly meeting of the Upland Woman's Christian Temperance Union to be held Friday afternoon in the parlor of the Upland Methodist church.

Mrs. Ralph H. Marr, the president, will open the session at 1:30 o'clock.

During the afternoon the group will make plans for the county W. C. T. U. convention, which will be held here in September, with the local union as hostess.

DICK HIGHSMITH RETURNS

Dick Highsmith has returned to Evanston, Ill., to resume his work as an interne at the Evanston hospital association and to continue his studies in qualifying for the master's degree. He is scheduled to complete his interneship and receive his degree in hospital administration in October. He has been in Upland for several weeks visiting his mother, Mrs. Novella Highsmith, and his aunt and uncle, Mr. and Mrs. P. H. McQuillen.

Fire Screen Wanted For New Air Field Library In Ontario

The recently opened library at the Ontario army air field is in need of a fire screen.

Mrs. John B. Craig and her Red Cross camp and hospital service committee have undertaken to supply the screen. Anyone who has such a screen to donate is asked to notify the Red Cross headquarters, telephone 316-173. Such a gift will be greatly appreciated by Mrs. Craig, by the library staff, and by the service men who use the library.

CLUB WOMEN WILL ENTERTAIN FRIDAY

Home produced "top flight stars" will be seen and heard in an outstanding program Friday evening when the woman's chorus of the Upland Woman's club presents the Victory Garden Specialty during the dinner and musicale to be held in the club house at 590 North Second avenue.

The double feature event is sponsored by the Woman's club, with members of the executive board in charge, and the proceeds will go into the club's treasury.

A committee headed by Mrs. W. R. Farmer will serve dinner at 7 o'clock and the program will follow.

Directed by Mrs. Marion Maxwell, the club chorus will appear in the specialty numbers, including songs and dances, cleverly arranged in sequence by Mrs. Maxwell.

Each rehearsal by the chorus emphasizes the guarantee of an evening of gay entertainment.

Tickets are being sold by each member of the executive board and reservations must be made at once.

Mrs. L. E. Moser, president of the club and head of the executive board, today expressed her pleasure over the response being made by the public in purchasing tickets.

Mrs. Earl Bryden Dies Suddenly In Escondido Sunday

Upland relatives were shocked to receive word early Monday morning of the sudden death of Mrs. Earl Bryden of Escondido, who passed away Sunday night in a San Diego hospital shortly after the birth of a baby daughter.

Funeral services will be held on Wednesday afternoon at 2 o'clock in the Benbow funeral home in San Diego.

Besides the husband and an infant daughter, Mrs. Bryden is survived by a four-year-old daughter, Joan Earlene, and her parents, Mr. and Mrs. L. R. Green, 2440 Pine street, San Diego. For the present Mr. Bryden and the children will be at the Green home.

Mr. Bryden, younger son of Mr. and Mrs. J. W. Bryden of 268 G street, is a graduate of Chaffey high school and junior college, where he won acclaim for his athletic accomplishments. For a number of years he and his family have been living on their citrus ranch at Escondido.

POSTMASTERS WILL HEAR CONGRESSMAN

Congressman Harry R. Sheppard, who is spending a short time in San Bernardino during an official tour of the Pacific coast, states as a member of a congressional investigating committee, will be the speaker at the meeting of the San Bernardino County Postmasters association to be held Saturday evening.

A dinner meeting will be held at the Guasti tavern in Guasti, with W. M. Kincaid, Cucamonga postmaster and president of the association, presiding.

Postmaster Orton P. Brady of Upland and Mrs. Brady will be in attendance.

Congressman Sheppard expects to arrive in the West End at 10 o'clock Saturday morning and will spend the day in this district greeting his friends.

3,523 Carloads of Citrus Shipped From Here Since Nov. 1

Citrus shipments for the marketing season today total 3,523 cars, with more than 50 cars scheduled to go from this district during the week. Eighty cars of fruit were sent to market from the packing houses during last week.

The season's shipping total is made up of 688 cars of Valencia oranges, 1,433 of navel oranges, 1,181 cars of lemons, 206 cars of grapefruit, and 15 of miscellaneous varieties.

ORPHANAGE TO BE OPENED SEPT. 15

While it will be several weeks before any children are brought to Upland and placed in the proposed orphanage in the Mont Vista resort property, extensive preparations are being made for the formal start of the project on September 15.

An outstanding "grand opening" program and banquet is being planned for a month hence, when many scores of interested persons will unite and dedicate the buildings and the eight-acre tract on San Antonio Heights as an orphanage.

The orphanage will be supported by free-will offerings from the public and the Rev. R. E. Davis, energetic leader of the movement, is receiving many responses from enthusiastic persons concerning the enterprise. While Rev. Davis is minister of the Baptist church, he emphasizes that the project is inter-denominational. Officers of the newly formed Upland Orphanage Association represent various denominations.

The dedicatory program will be held in the spacious dining hall in the Mont Vista property. Many prominent civic leaders in the state will be present with Rev. Davis going to Sacramento this week to personally extend an invitation to Governor Earl Warren. Tentative arrangements are also being made for a radio broadcast.

One aim of the leaders is to dedicate the buildings free of debt and pledges are already being received by Rev. Davis and other association officers.

A maximum of 150 children may be served at the orphanage in its eight cottages, five-room residence, hotel and administration building. Children will be accepted from all parts of the state. They will be cared for by a staff at the orphanage and it is the plan for them to attend the Upland public schools.

Children—orphans and half-orphans—will be accepted here as soon as possible after the public opening. Furnishings used by Abe Kisner, Mont Vista resort proprietor, have been purchased for use by the orphanage.

Mr. and Mrs. Norman S. Lawson, their daughter Elsie, and son Charles, returned Saturday evening to their home on Wilson avenue after enjoying a vacation of over two weeks at Lake Arrowhead.

D. A. V. WOMEN VISIT HOSPITAL

On their initial visit to the naval and marine hospital at the former Norconian hotel, six members of the Ontario-Upland chapter of the Disabled American Veterans Woman's Auxiliary spent last Friday afternoon distributing cigarettes, gum, and good cheer to the convalescents.

D. A. V. women are making tray cloths, bed socks, shoe bags, and other articles for use in the hospital.

Mrs. Earle Whitehouse, hospital chairman, plans to conduct a group of D. A. V. auxiliary women on a semi-weekly tour of the hospital. Accompanying her last week were Mrs. V. H. Carter, commander of the local post; Mrs. George Willets, Mrs. Nathan Cohn, Mrs. E. C. Giles, and Mrs. David Vasbinder.

$9,700 REALIZED IN POOL BENEFIT; START WORK SOON

Construction will be started this week on the swimming pool on the Ontario air field and it will be completed within a month, Lt. J. P. Massaro reported today. The work will be done under the supervision of army engineers with some commercial sub-contractors engaged in order to get specialized equipment.

Sum of $9,700 was realized in the plung benefit program sponsored by the personnel of the Ontario army air field and held in the Chaffey auditorium last Friday. With this money equipment will be purchased and the project completed.

The plunge will be 30 feet by 75 feet and will be of regulation depth. In every respect, Lt. Massaro said, the plunge will be modern.

For the duration the plunge will be used by the men at the air field. After the war the pool will be available to the general public and the suggestion has been made that a memorial park be established to include the pool when it is turned over for civilian use.

Announcement of the total proceeds realized from the big show was made at noon today and the air field officers and men were highly gratified by the success of their project.

The large sum was paid by the capacity crowd that filled the Civic auditorium to see and hear the galaxy of screen and stage stars, who turned the huge stage into a miniature Hollywood.

STARS SCINTILLATE

In the group of entertainers were Marlene Dietrich, George Raft, Jimmy Durante, the Ritz Bros., Xavier Cugat and his band, Johnny Coy, Connie Moore, Delores Williams, Al Siegel and Ethel Bartlett and Rae Robertson, all of whom donated their time and talents and performed in their very best style, thoroughly delighting their audience.

Presented by Lieut. Col. Miller B. Towman, commanding officer of the air field, George Jessel served as master of ceremonies and also joined in the program.

Attracted by the famous entertainers and helping to fill the auditorium, some 700 persons came out from Los Angeles and Hollywood, joining the other hundreds of local persons who paid from $2.20 up to $22 for the privilege of seeing the big show while aiding the service men in their swimming pool project.

For Those Who Make Surgical Dressings

Interminable folds of gauze,
For those whom we shall never see.
Remember, when your fingers pause,
That every drop of blood to stain
This whiteness falls for you and me.
Part of the price that keeps us free
To serve our town; that keeps us clean
From shame that other women know.
Oh saviors we have never seen,
Forgive us that we are so slow!
God—if that blood should cry in vain,
And we have let our moment go!

Woodhams Is Given New Four-Year Term As Commissioner

George E. Woodhams, county agricultural commissioner, was reappoited commissioner for a four year term by the county board of supervisors yesterday. He was appointed in May, 1941, to fill the unexpired term of the late John P. Coy. At that time he was given a two-year appointment.

He is reported to be an expert in citrus production. He has served as deputy commissioner in Santa Barbara and Los Angeles counties.

Steve Allee Ends Freight Service

Steve D. Allee has discontinued his pick-up and transfer business and will devote his full attention to the Allee Taxi, he announced today.

The transfer business consisted largely of handling the pick-up and delivery service for the Santa Fe railway and the Pacific Electric and Southern Pacific lines. This service will now be handled by the Pacific Motor Transport Co., with offices in Ontario.

THRIP CONTROL IS VITAL NEED NOW

Thrips are damaging young lemons and the new growth on the trees in many local citrus groves, Ralph Moon, manager of the Citrus Pest Control association, reported today. He urged growers to act immediately in checking the growth of the pest.

Application of tarar emetic and sugar as a spray is the most effective, according to the official.

Growers should examine the groves themselves because it is impossible for the various pest control inspectors to get to all the groves. Mr. Moon pointed out that many growers have learned to detect thrips and he expressed the belief that the cooperation of these men would be very helpful in advising neighbors and other growers.

Thrips were well under control until the arrival of the hot weather and only in the last week or so have the pests made their presence felt.

City's Tax Figure Will Be Set Soon

Upland's tax rate for 1943-44 is scheduled to be fixed soon by the city council and this action may be taken at the meeting on Thursday night if official word is received on assessed valuation.

Based on the tentative assessment figure, the councilmen have given $1.28 as the likely tax rate for the current year. Tax rate for last year was $1.08. A higher rate was made necessary due to recent salary increases.

PRIZE MONEY IS AWARDED WINNERS

Mr. and Mrs. Allison Shaw, 263 North Laurel avenue, were awarded the $73 in the dividend day jack-pot last night. Their address was selected from The Upland News' complete residential directory by Fred Clowes, an Upland city employe. He selected page No. 11 and line No. 71.

Perhaps the Maxwells stick together.

S. G. Maxwell, 131 Third avenue, a one-time winner of the dividend day jack-pot, had the opportunity last Thursday to select the recipient for the $15 food fund.

And whom did he select? Another Maxwell famliy, Mr. and Mrs. Marion Maxwell, 737 North First avenue.

In The Upland News directory, Mr. Maxwell, the past-winner, selected page No. 4 and line No. 39 and this selection lead to awarding of the money to the winners.

Incidentally, there is no relationship between the two Maxwells.

And incidentally, the food fund is at the $15 starting point again. At 6 p. m. Thursday, the money will be awarded to some resident of the Upland district. The News' directory contains the addresses of every house in Upland and the outlying communities.

All it takes to win is one sales slip from any of the food stores advertising in today's Upland News, provided the sales slip shows a purchase of at least $1 on Wednesday or Thursday. Or, a person may obtain sales slips from more than one store, just so the total purchase is at least $1.00.

Food stores eligible to issue sales slips this week are Anderson's, Olson's market, Clint's produce, Safeway, Lee's market, Johnson grocery and Walker's market.

SCHOOL OPENING HERE IS AWAITED; DATES ANNOUNCED

Upland's 1943-44 school year will open Monday morning, September 20, it was announced today by Harold W. Cook, superintendent of Upland schools and principal of Upland junior high school.

A general faculty meeting will be held Thursday, September 16, in the junior high school auditorium, according to Mr. Cook's plans.

PUPILS TO REGISTER

Registration for all junior high school pupils will take place on the following day, Friday, September 17, when class schedules will be made, text books distributed and lockers assigned.

On the same day first grade children will be registered at the Upland Elementary school, of which Miss Jessie Brown is principal.

First graders in the Eighteenth Street and the Sierra Vista schools will be registered by their teachers on the opening day of school.

LITTLE CHANGE EXPECTED

Although there still are a few uncertain factors that influence the enrollment, still no great change in the number of pupils is like, approximately 300 being expected in the junior high school.

Superintendent Cook pointed out today that Upland's housing capacity was taxed to the limit last spring when school closed, even as it is now, and although there have been changes in the personnel of the city's population, still there could be little increase in the number. However, the pending increase in housing facilities with the completion of the Upland housing project in early fall probably will bring in some new pupils, the number, of course, being an unknown figure.

Call Issued for Cribs, Bassinets, And Baby Buggies

Several baby buggies, bassinets and cribs are needed at once by the home service department of the Upland Red Cross chapter, Mrs. Will R. Mason, chairman.

The chapter has received several calls from soldiers' wives who have been unable to secure these articles so essential to baby's care and comfort. Efforts have been made to secure laundry baskets for use as bassinets, but none could be found on the market.

Two of the prospective mothers are local girls, while the others have come here to be near their soldier husbands.

Mrs. Paul Adams, chapter chairman, expressed the belief that if those women who possess such baby equipment that no longer is needed, could realize the difficulties faced by these young women, they quickly would donate the needed articles

The young wives are striving to stretch their not very elastic allotments to cover a multitude of necessary bills. Even if they could find the baby furnishings in the market they could not afford to purchase them.

Anyone having either a buggy, bassinet or crib to spare is asked to notify the Red Cross chapter office, phone 316-173.

Odd Fellows Plan Party In Honor of Archie J. Robinson

In honor of Archie J. Robinson, past noble grand, members of the I. O. O. F. lodge will unite tomorrow night at the North Haven avenue home of Mr. and Mrs. John W. Swoap.

It is customary for the lodge to pay respects to the man who lead them during the past term, but unusual interest is being shown in the courtesy to Mr. Robinson due to his outstanding leadership and general activities.

A contributed dish dinner will be served at 6:30 p. m. An entertainment feature will be the presentation of motion pictures by Mr. Swoap.

Born Family Enjoys Annual Reunion

Mrs. W. C. Born, 562 East Arrow highway, was hostess at the annual reunion of all of the Born relatives Sunday, the group gathering in John Galvin park in Ontario for a contributed dinner. Later they enjoyed a pleasant social hour at the Born home.

Present for the party were Mrs. C. E. Born and Mr. and Mrs. Joe Fitzpatrick, of Inglewood; Mr. and Mrs. Gene Judd and son Kenneth, and Mr. and Mrs. Ray Peddigo and son Cameron, of North Hollywood; Mr. and Mrs. Paul Markham of Beverly Hills; Mr. and Mrs. William Mund and Mr. and Mrs. William Goetz, of Glendale; Mr. and Mrs. William Hill of Long Beach; Miss Tommy Loucks and George Martin and his son, Robert Martin, of Long Beach; Mrs. Born and her three daughters, Mrs. Eugene Cooper and son Bill, of San Diego; Miss Cornelia Born, of Los Angeles, and Miss Christina Born, of Ojai, who is spending the summer with her mother.

Rebekahs Visited by District Deputy At Meeting

Visit of the district deputy, Mrs. W. I. Walkinshaw, of Ontario, was made a special event by members of Silver Link Rebekah lodge when they met in regular session Friday evening in the I. O. O. F. lodge hall.

Mrs. Pryor L. Cate, noble grand, conducted the meeting, and the usual lodge business was given attention.

The remainder of the time was given over to Mrs. Walkinshaw, who gave instruction to the lodge officers. She was accompanied to the meeting by several members of the Ontario lodge.

At the conclusion of the lodge session a social hour was enjoyed in the dining hall, where refreshments were served.

In honor of the district deputy, special decorations were arranged. Choice roses were placed in the lodge room, while in the dining hall the lodge colors were used in pink and green streamers and pastel colored flowers graced the tables.

Committee in charge included Mrs. Harold Rowe, Mrs. William Morley and Mrs. S. L. Kinnan.

D. A. V. Women Will Meet To Sew In Galvin Park

Plans for the D. A. V. Woman's Auxiliary monthly sewing circle have been slightly changed. The group will meet at John Galvin park next Thursday morning, August 19, at 10:30, with Mrs. Fred G. Puffer serving as chairman, rather than at Mrs. Puffer's home, as originally scheduled.

Everyone planning to attend is reminded to bring a contributed dish and her own table service.

Church Women Have Community Picnic At Stoebe Home

Community picnic held at the home of Mr. and Mrs. J. G. Stoebe, 1393 Hermosa avenue, Alta Loma, drew an attendance of more than 40 persons and a pleasantly informal evening was enjoyed.

The picnic, the second held this summer, was sponsored by the Women's Society for Christian Service of the Cucamonga Community Methodist church, the purpose being to provide an opportunity for social contact with neighbors and other friends while few other social meetings are being held.

The large grill in the rear garden was used in preparing the hot dishes and the picnic dinner was served on the lawn.

Later a number of out-door games were played and visiting was enjoyed.

Mrs. Ray R. Ford, president of the church society, was in general charge of arrangements.

Roy L. Thompson, Brother of Local Resident, Passes

Roy L. Thompson, brother of Leigh Thompson of Upland, passed away Friday afternoon in Pomona following a three weeks' illness.

Mr. Thompson made his home in Pomona, but he was well known in the West End, for several years having been with the Ontario office of Clark Bros. of Pomona. For the past year he had been with the Pomona office of the firm.

Surviving him are his wife and a daughter, Mrs. Frank J. Janssen of Pomona; three brothers, Leigh Thompson of Upland, and Glenn and Guy Thompson, members of Thompson Bros. firm in Pomona; two sisters, Mrs. Frank Woflin of Amarillo, Texas, and Mrs. Grace Shaw of Glendale; also one grandchild.

Funeral service was held at 3 o'clock Monday afternoon at Todd & Reeves chapel in Pomona. The Elks lodge of Pomona was in charge of the commital service at the Pomona mausoleum.

West End Farmers And Congressman Discuss Problems

Ray R. Sherwood of Upland, until recently chairman of the executive committee of the Ontario-Upland center of the County Farm Bureau; Harold S. Stewart of Ontario, who succeeded him in that chairmanship, and J. Awdry Armstrong, attended the Farm Bureau meeting held Saturday in San Bernardino and heard Congressman Harry R. Sheppard discuss farm ceiling prices and other OPA regulations.

Representatives of various agricultural groups from all parts of the county were present and they explained the problems they face in complying with OPA regulations, which they declared are hampering farming operations.

Congressman Sheppard expressed the belief that many of these problems could be solved if OPA measures were enacted by regions and better adapted to those particular areas. The congressman also advocated local adjustment of OPA regulations, with the measures being administered by farm leaders who best understand local needs.

CITRUS MEN CONCERNED

Citrus problems, the West End delegation explained upon their return, were not taken up in detail because they had been considered on a previous occasion.

Of special concern to citrus growers just now, it is said, is the difficulty in securing sufficient shook for the packing boxes.

This shortage is involved in the complicated problems of the lumber industry and they were investigated by Congressman Sheppard during his recent conferences with lumber men in Washington and Oregon.

PADUA THEATER

Appearance of many talented guest artists is contributing to the informal gaiety of the Jamaica, or Mexican outdoor carnival, which follows each performance of "Pesos o Besos" (Money or Kisses), at the Padua Hills theatre.

Recently, Luis Elorriaga, widely known maestro of the guitar and instructor of Los Angeles, provided novel musical entertainment with instruments borrowed from the Mexican Players' orchestra.

Wartime work is helping more and more people to reach their goal because they're reaching their gold.

Misunderstanding caused Bethesda, Md., laundresses to stage a near riot when they got pay envelopes with the federal withholding tax deducted. Probably thought they were being taken to the cleaners themselves.

Ladies, the National Safety Council reminds you that safe housekeeping is good homemaking. Don't leave brooms, mops, pails and other household equipment on stairways or in dark corners where they may cause severe falls. Last year there were 4,5,50,000 persons injured in their homes. Don't you be one of that number this year!

Two women in a railway car argued about the window and at last called the porter as referee.

"If this window is open," one declared, "I shall catch cold and will probably die."

"If the window is shut," the other announced, "I shall certainly suffocate."

The two glared at each other. The porter was at a loss, but he welcomed the words of a man who sat near. Said he:

"First open the window. That will kill one. Next, shut it. That will kill the other. Then we can have peace."

FACTS about CALIFORNIA few people know

MILK

Total value of the milk left on the doorsteps of California homes and business establishments last year was $95,896,260. To meet the increased demand of a war-boom population, dairy men marketed 219,667,800 gallons of raw and pasteurized milk, or 18 per cent more than they had produced in 1941. In addition they delivered millions of gallons of cream and buttermilk and tons of butter and cottage cheese.

To keep milk at the low temperature required by California law until it reaches the consumer, The Union ICE Company annually services farmers and dairies with thousands of tons of ice. Much of this is delivered crushed, to be packed around bottles in the delivery trucks to keep the milk cold until it reaches the home, or to blanket the large cans shipped by train or truck to urban centers. Many tons of block ice are required by farmers for milk cooling and by dairy stores and other commercial establishments to service the ice-using equipment in which milk for the retail trade is stored.

Milk, cream, and other dairy products stored in the modern Air-Conditioned ICE Refrigerator for the home, keep sweet and fresh without being covered. The clean, washed air, which is an exclusive feature of these modern food protectors, prevents even the most delicately flavored food products from absorbing the odors and flavors of other foods.

We appreciate the cheerful cooperation of our customers with present delivery regulations. Though it is difficult to give our best service during wartimes, we can promise adequate, dependable Ice delivery.

THREE GAMES WILL BE ON THIS WEEK

Three baseball games are scheduled for this week on the Upland junior high school diamond, the games to start at 6:30 p. m.

The I. O. O. F. junior lodge and the Ontario Recreation nine will meet tonight.

Upland Cubs and the Ontario nine will play Thursday, and on Friday the Cubs will clash with Cal-Aero, this game being postponed from last Friday, when Cal-Aero employes were unable to keep the date.

WITH OUR BOYS IN THE SERVICE

WINGER ADVANCES

Verle L. Winger, son of Mr. and Mrs. Chas. Winger, of 345 West Arrow highway, has qualified as an army air forces technician, recently completing intensive training in aircraft inspection and maintenance at the army air forces technical training command school at California Flyers, Inglewood.

The local man was especially chosen for the technical training and in now qualified to take his place in the army of expert technicians who keep the combat planes in fighting trim. He has been transferred to an army air forces station for active service.

Before being assigned to the special technical course the local man received basic military training at one of the basic training centers of the army air forces technical command.

MILLAR IN TEXAS

Now at Perrin field, Texas, for his basic flying training, Aviation Cadet Robert G. Millar of Upland, is flying 450-horsepower planes and taking ground school courses and tactical practice that will prepare him for a job he has to do on the Axis. He came here from primary training at Coleman, Texas.

The cadet is the son of Mrs. Jessie Hope Millar, 623 North First avenue, Upland.

ARTHUR GRADUATES

Robert E. Arthur, son of Mr. and Mrs. C. E. Arthur, 391 North Euclid avenue, has completed his primary flight training as a naval aviation cadet at the U. S. naval air station at Livermore, and has been transferred to another station for intermediate training.

Corp. Orville E. Bert of the army air corps, who has spent the past 10 days here with his parents, Mr. and Mrs. J. W. Bert, 745 North Third avenue, will leave tonight to return to his post at Langley field in Virginia. Corporal Bert's sister, Mrs. James Alderfer (Virginia Bert) of San Francisco, came down by plane Friday to see him and returned to her home Sunday.

Pfc. Edward P. Kirk of the U. S. army air corps, who recently arrived somewhere overseas in the Atlantic area, has written to The Upland News, expressing his thanks for the paper and his pleasure in reading all the home-town news. Wherever he is now located, the place is different from any he has ever seen before. He said that it never gets dark there at this time of the year. The weather in August is very cold, colder than anything he has ever experienced in the states in the winter time. Before going overseas, he had been stationed at Houlton, Maine. Pfc. Kirk is the son of Mr. and Mrs. Loring N. Kirk, 429 North First avenue.

ENSIGN MARGARET HILL

Miss Margaret Hill, formerly of Upland, is now an ensign in the Spars, having received her commission upon the completion of her course in the coast guard training school at New London, Conn. She is now in Washington, D. C., awaiting her assignment to active duty.

Ensign Hill is the daughter of Dr. and Mrs. Merton E. Hill, former Upland residents and now of Berkeley and Laguna.

Ray Whyborn, son of Mr. and Mrs. Paul Whyborn of North Mountain avenue, has been transferred from the San Diego naval base to the naval air technical training center at Norman, Okla. Ray enlisted in the navy and was assigned to San Diego in June, leaving there August 10 for the Oklahoma school. He is training as a naval aviation mechanic.

BROTHERS COMMISSIONED

Two younger sons in the Hill family also are in the service and each has received his commission as captain.

Captain Walter B. Hill, a physician in the medical division of the army, has been transferreed from a camp in Mississippi to a station near Baltimore, Md., where he is taking specialized training.

Captain Merton E. Hill., Jr., a dentist in the armed service, is stationed at Seattle.

Private Robert E. Riggs, who spent a week here with his parents, Mr. and Mrs. Earl F. Riggs, of West Seventh street, has returned to his station at Camp Mackall, in North Carolina.

INCOME TAX DATA IS EXPECTED SOON

(Continued from Page One)

come, such as dividends or interest or rents in excess of $100 in either year will file a return regardless of the amount of his salary or wages.

MANY TO PAY UP

"There is a large class of people, business men, farmers, professional men, and domestics, who have no income tax deductions from their paychecks or profits. These people," Westover stated, "will be required to file estimated tax returns by September 15th in order to make themselves current along with the rest. Single persons in this class will file if their income this year will exceed $500 or actually did exceed that figure last year. A married person will have to file whose income this year will be $624 or more, even though married couples will be allowed a $1200 exemption. This is necessary in order to calculate their Victory Tax for the year.

"One very important requirement makes it mandatory that everybody must file an estimated return within the next 30 days, who was liable for a 1942 return if his 1942 income can reasonably be expected to exceed his 1943 income. This is true whether or not payroll deductions are being made from his wages. The reason behind this requirement lies in the 75 per cent forgiveness clause of the new revenue act. The law forgives 75 per cent of the tax of either the 1942 or 1943 incomes, whichever is the smaller. In order to determine the smaller tax, persons who had to file last year and who made more money last year than this will also have to file this year."

Alta Loma Club Is Told of Outstanding Spirit of Chinese

The peaceful Chinese will survive the current war and their race will become the influential power of the Orient, members of the Alta Loma Community club were told in an interesting and inspiring address delivered last night by Dr. James V. Latimer, a resident of China for many years and secretary of the Upland chamber of commerce. The speaker was introduced by Mrs. Ray Lawyer.

The Chinese, who never fight unless they are attacked, have proven themselves a superior race during the past millions of years and with emphasis Dr. Latimer discussed their culture, their mode of living and their outstanding characteristics.

Many residents of Alta Loma and other communities were in the Alta Loma Community club house for the meeting. President Harry Cain presided and he gave a report of the fine progress of the membership campaign. Announcement was made that S. Earle Blakeslee would be the speaker at the club's meeting on September 20.

Horace Lewis of Etiwanda Passes Here Early Today

Horace Lewis, formerly of Monrovia and a resident of Etiwanda for only three weeks, passed away at San Antonio Community hospital at 5:50 this morning.

A native of Pennsylvania, Mr. Lewis was 80 years of age. He was a retired railway worker.

Surviving Mr. Lewis are his wife; three daughters, Mrs. G. Franklin Torrey, of Etiwanda; Mrs. Felix Starr, of Los Angeles, and Mrs. Charles Bogi, of Sparks, Nev.; also three grandchildren.

Private funeral service will be held at 2 o'clock Thursday afternoon at Draper's Upland chapel. Interment will be made in Bellevue cemetery.
